Notes: Shows details from letters sent to selected students.

Sorted by most absences to least absences from left to right.

Absences shown include all absences - including explained and unexplained absences - and including 'Dropped' courses.

If a student has 'dropped' a course, absences prior to dropping are shown.

In the event of a student with more than 5 courses, this shows only 5. Same as is displayed on the Form Letters

Class code shown rather than Course code (in cases where it is a 'Combined' class). In these cases, the Class code typically begins with '1'

If Student Name indicates *See Note Below*, you need to run the 'Student Directory Report' and Import Student Directory Data - see item 2 on

'Main' tab.

Includes 'Active' students only.
