Notes: Doesn't include any courses that have been added to the School Classroom Exclude Table: (possibly Co-op tie-in courses, Resource etc.);

For courses appearing in more than one block, the first block will be shown.

If * is displayed in the '* Both Sems' column, this indicates that the course appears in both semesters (runs all year) - credit only counted once - and on this report, the course will be shown in Sem 1, not in Sem 2. Keep this in mind if balancing/reconciling.

'Size' for courses appearing in 2 blocks in a semester will be displayed incorrectly. ('doubled' - unavoidable based on data provided)

If Dept_Code is displayed as '*dept?', this means the Department in Trillium® is blank. Update the Department in Trillium®, re-save MasterSchedule.csv, and re-import for this to appear correctly.
